

2012 TAG#

Dear Dog Owner:

The due date for purchasing your dog's license is now linked with the month of your dog's rabies vaccination. You must purchase a renewal license for your dog by the last day of the month in which your dog's rabies vaccination was administered or the license will be considered late and additional fees apply.

New this year is the option to buy a 3 year license if it coincides with a valid rabies vaccination. If your dog's rabies vaccination expires in less than 3 years, you will need to buy a 1 year license.
